#### Preparing Your Child for Starting School

Many of our children start primary school in September. We have put some **really helpful guides** in reception to help prepare your child for school. Please grab one when passing.

Below is a letter received from NHS England this week regarding **pre-school vaccinations**:

Public Health Commissioning Team  
NHS England North West  
(Lancashire, South Cumbria, Cheshire and Merseyside)

April 2024

Dear Parent/Carer,

The measles, mumps and rubella (MMR) vaccine is one of the most studied vaccines and millions of doses are given every year.

As your child starts school, we recommend that they have had two doses of the MMR vaccine to ensure they are fully protected, as the complications of measles can be severe and life changing. You will also be protecting them against mumps and rubella, which can also be serious illnesses.

Measles cases are rising in the North West so it is important that you check your child's red book to see if they have had their pre-school booster vaccine and two doses of MMR. If not, contact your GP surgery to make an appointment.

Please scan the QR code below for further information on the MMR vaccine.

This year your child will also be eligible for a free nasal flu vaccine and this will be offered to them at their school during the autumn term.

Yours sincerely,

*Tricia Spedding*

#### Mobile Phones

Despite numerous requests, mobile phones continue to be an issue in nursery. **You must not enter the nursery building using a mobile phone.**

#### Group Photos

We have had multiple requests regarding the **group photos**. We have not yet had these back from Tempest Photography. They can take a little while but we will share these as soon as possible.

#### Lost Property

**Please check our lost property box** in reception for any items your child may be missing. Anything remaining will be donated to charity after the May half term.

#### Recent Learning

Last week we were **comparing amounts to 5** and saying when the amount is the same in two groups.

I wonder if you can compare amounts to 5 at home identifying when amounts are the same. Please follow the link below:

#### Upcoming Holidays

**Nursery will be closed week commencing 27th May 2024 for half term.**

This means the children will attend nursery as normal on Friday 24th May and will return on Monday 3rd June.

**Have a great weekend everyone!**
