Photographs

Tempest photography have been in this week to take photo's of your children. Your child will have come home with a photo order form. The easiest and cheapest way to order your photo's is by using the online order form at www.tempest-orders.co.uk.

THIS WEEK IN NURSERY

This week we have been exploring the deep cold river setting of 'We're going on a bear hunt' with some of our children discovering our forest school provision for the first time, using they're imaginations to splash and splosh through the stream.

We have also explored pumpkins too, developing our motor skills, hammering golf tees into them and being creative, painting and decorating them.

Next week is World Nursery Rhyme Week so keep your eye out on our Facebook page for the different songs each day and how you can explore them with your children at home and check out the website to see how important rhymes are to young children's development

Next Week in Nursery

Next week is World Nursery Rhyme Week so keep your eye out on our Facebook page for the different songs each day and how you can explore them with your

children at home and check out the website to see how important rhymes are to young children's development:

<https://www.worldnurseryrhymeweek.com/parents-and-carers/>

We will be exploring squelchy mud and investigating all things oozy next week so be prepared for some mucky faces as we Immerse ourselves into that element of the 'We're going on a bear hunt' story, developing our vocabulary and deepening our knowledge of the story.

LCC Primary School Admission 2024

Are you struggling to complete the LCC Primary School Admission form online?
We have a representative from the Pupil Access Team coming into school to help
parents complete this form on Monday 13th November 23

8.45am - 9.40am or 11.45am - 3.40pm

Please can you let the office know if you wish to book an appointment asap.

Thanks

The Retreat

As you will have probably already noticed, we have had a new building erected, situated near the main entrance. This room is going to be called 'The Retreat!'.

The intention of 'the Retreat' is to provide adaptive provision to support children who need sensory processing input in order to be able to support their learning across whole school nursery provision. The room will be ready for use very soon and we will be in touch with further news.

Reminder - Nursery start of day Procedure

Parents who arrive at nursery after 9am will be asked to wait until 9.15am in the reception area to allow group time to finish without disruption. Parents of children who arrive late must sign them in on the iPad before they will be admitted into nursery.

Our 30 hour children need to arrive at nursery between 9.40am and 9.50am. Any children who arrive after that time will be classed as late and will need to sign in on the iPad before they will be admitted into nursery.

We thank you in advance for your understanding.
