Friday 13th October 2023

Reminder for Parents

Please can we remind you that the nursery school will be closed on Friday 20th October - Friday 27th October for the half term holiday.

We re-open on Monday 30th October 2023

Attendance & Punctuality

Please can we remind parents of the importance of regularly attending nursery, this will help your child to get into a good routine, which helps them to settle much quicker. It is also good practice ready for when they start primary school next year.

If your child attends

100%-95% = Best Chance of Success

94.9%-85% = Less Chance of Success

Less than 85% = Can seriously impact on education and life chances

Why not look at our new attendance board and then you can see how well your child's keyworker group is doing. Your child's nursery place may be at risk if they do not attend regularly .

Also, please can we remind you that the nursery doors close at 9.00am and 12.55pm, so that group times can start on time. If you arrive late, you will be asked to wait in the reception area until the group times have finished, this ensures there are no disruption's for the children during this time.

Thank you for your co-operation and support.

Weekly Attendance Figures

AM1 90%

AM2 98%

AM3 96%

AM4 100%

AM5 94%

PM1 87%

PM2 83%

PM3 71%

PM4 83%

PM5 98%

This week in nursery, the children have been learning to count to 10, starting at 0. Why not help your child at home to continue to count lots of different things. This will help them to learn their numbers.

Please can we ask that the yellow road safety signs are not moved and parking outside the nursery school on the zig zags is not permitted. The signs are there to keep everyone safe and anyone who parks in this prohibited area will be reported to the local PSCO Warden. The staff car park area is also out of bounds to parents too and should not be used as a short cut.

We have a safe route in and out of the school and can we remind everyone to always close the top & bottom gates when leaving.

Thank you for assistance in keeping everyone safe
at
Basnett Street Nursery School.

Healthy School

We are a healthy school and always promote healthy eating. Therefore we only allow fruit and healthy snacks in the nursery. We appreciate that parents may wish to bring in a treat when it is a special occasion such as your child's birthday. Can we ask that you if wish to bring in a treat, a platter of nice fruit to share with their keyworker group would be appreciated. Your child's keyworker will celebrate the children's birthdays in group times and they will receive a small gift as well.
