

This children showed a keen interest in making cupcakes in the playdough. So we discussed how exciting would it be to make some real cupcakes? The children have been exploring the recipe and following the instructions. They have developed their vocabulary learning lots of words such as sloppy, runny, gooey, soft, dry, crumbly, whisking to name a few, On Thursday, the children made the mixture by following the instructions and then put them in the oven to bake. They made nursery smell delicious and the children where so excited to see them once they had been baked.

In the maths area, we have been looking at the song 5 Little Pumpkins. The children have really enjoyed learning the phrases from the song and how to count in a stable order. They have been counting carefully using one to one correspondence.

Our Core Book this half term is Owl Babies . The children where so excited to find the owl babies nest outside. They have been telling us phrases from the story and who the characters are . I wonder if they can tell you at home as well?

Please find the owl baby story here:
