Chicken Pox Update

We have had a second wave of chicken pox in nursery. If your child develops spots, they **must stay at home** and not come into nursery as they are extremely contagious.

Children can return to nursery **once the spots have crusted over**. Thank you.

Progress Meetings

We would like to **invite you into nursery** to discuss your child's progress. Please see letter attached for more information.

This Week's Learning

We have had a fantastic week celebrating Number Week! **Thank you to all the parents** who attended the 'Stay and Play' sessions and for your donations to the NSPCC charity.

We loved sharing all the key skills and language children use in maths with you that are essential for setting those firm foundations to ensure children are school ready. Most importantly we learnt that maths is everywhere and we use it everyday!

We hope you will be able to practice the key skills and vocabulary at home with your children which will support them in getting ready for school.

If you would like any further information about supporting your child in maths, please ask your key worker and they would be happy to help.

Bunny Hop Reminder

Children are participating in the Bunny Hop for Pendleside Hospice on Wednesday 27th March 2024. **Please make sure you return your sponsorship envelope by this date.**

Purple Day

To support one of our families, on **Tuesday 26th March** we are going to be **wearing purple** to support The Daisy Garland. A donation box will be in reception on this day.

Items in Nursery

Please ensure your child **does not bring** any unsuitable or dangerous items into nursery. A very small battery was brought onsite this week - this can pose a choking risk to children.

A reminder that any sweet treats must be given to children **once off nursery premises** as we are a Healthy School and cannot have these food items on site.

Have a great weekend everyone!
