We would like to offer a warm welcome all our new children and families who have joined us in September. We look forward to working together and giving your child a wonderful experience at Basnett Street Nursery School.

Reminder for Parents

Is your child due to start school in September 2022? Have you applied for your primary school place? You need to apply online at:

Fruit Sharing

We like to promote healthy eating and encourage the children to eat different kinds of fruit at snack time

Please help us by bringing in a piece of fruit every Monday for your child to share.

Due to a child having an allergy, please do not send strawberries.

Thank you for your support.

The nursery doors close at 9.00am and 12.55pm for group time.

Group time lasts for 15 minutes and so that the children are not disturbed, please can we ask if you arrive late that you wait outside and sit on the benches.

Many thanks for your co-operation.

Nursery Back Pack & Spare Clothing

Please can we ask that parents send in a bag everyday with your child. Please include a full set of clothing, socks, underwear and spare nappies if your child is still using them. Also can we ask parents to check the bag at the end of the nursery session as any wet clothing will be put back into the bag to come home.

Reminder

Please can we ask that parents do not smoke on the nursery school premises.

This also includes E-Cigarettes.

Thank you.

COVID UPDATE

Dear Parents,

Please can we remind you that only one person will be allowed into the building to drop off and collect. If older siblings come with a parent, can we please ask that they sit on the benches outside or wait under the canopy.

This will ensure that we can keep everyone safe and continue to allow parents to come into the nursery.

Also if your child displays any of the following symptoms, you must keep them at home and book a PCR test:

- **A new cough**
- **High Temperature**

We must see a copy of the test result before they can return to the nursery.
