The Very Hungry Caterpillar

We are continuing to love exploring the story of The Very Hungry Caterpillar and this week we have been getting creative exploring pattern on butterflies, alongside improving our fine motor control mixing colours using pipettes and icing sugar. Our interest in mini beasts is developing and we have enjoyed rolling and balling the clay to make our very own creatures too!

Internet Safety - Be SMART!

S **Safe:** You wouldn't give a stranger on the street personal information, so don't do it online. Stay safe by not posting or sharing information (name, address, password, etc.).

M **Meeting:** It is dangerous to meet someone that you have talked to online but never met. Never go without telling someone and always ask your parents or carers to come with you!

A **Accepting:** There are loads of ways to download information on the Internet. Accepting emails, internet messages, text or pictures from a source you don't know may contain viruses or inappropriate information.

R **Reliability:** Just because it's on the Internet does not mean it's true. Anyone can add or edit information, or lie about who they are! Stick to websites you trust for information and only talk to friends and family.

T **Tell:** If anything happens that makes you feel worried or uncomfortable when using the Internet, you need to tell someone. The best people to talk to are trusted adults - parents, carers, teachers, etc.

Ensure Parental Controls are set up on all phones and tablets
