### Farm Visit

We have All Days Farm visiting us in nursery on Wednesday 6th July. They are going to bring lots of different farm animals for the children to see. Please can we ask that if any child has any allergies to animal hair, hay etc, please can you ensure that they are given some medication (anti-histamine) before they come to nursery school and also let their keyworker know as well. We will put the photographs from the visit on our school website and Facebook page.
