Chicken Pox

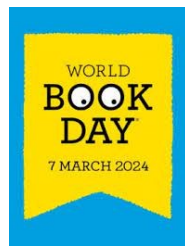

Unfortunately, last week we had an outbreak of chicken pox at nursery. We seem to be over the worse of it but can we remind parents that if children are spotty, they must remain at home until the spots have completely crusted over. They **must not be sent into nursery** as they are extremely contagious.

Please remember to seek advice from your local pharmacy if your child is struggling with their symptoms.

Dates for Your Diary

We have lots of exciting things coming up at nursery. Here's a summarised list for you:

Thursday 7th March 2024 - Wear your pyjamas to nursery for World Book Day! We will make costumes in nursery.

Week commencing 11th March 2024 - 'Stay and Play' sessions for parents to celebrate NSPCC Number Day. Please donate £1 or more if possible.

Please see letter attached for more information on your child's session dates/times.

Wednesday 27th March 2024 - Bunny Hop for Pendleside Hospice - see pack sent home for more details.

Easter Holidays - Nursery will close after sessions on Wednesday 27th March 2024 for Easter. We will re-open as normal on Monday 15th April 2024.

Fruit

Thank you for your kind donations of fruit for snack. We do run extremely low towards the end of the week. If **anyone can spare fruit or vegetables** for snack, we would greatly appreciate this.

The fruit basket is located in reception for donations. Thank you.

Vaping

Please can parents not vape on nursery premises. This includes any outdoor area within the fenced perimeter of the building. Thank you.

This Week's Learning

We had a special visit from the aliens this week - they had lost all their underpants! We used mathematical language of pattern to identify the different patterned underpants we found such as spotty, stripy, wavy etc.

Our story this term is Handa's Surprise. Each week we have been trying the different fruit from the story. This week we tried pineapple and enjoyed recalled phrases from the story. There were lots of happy faces!

Have a great weekend everyone!
