## Outdoor Fun In The Snow

The children have been enjoying the snowy weather this week in the outdoor areas, they have been exploring the snow & ice and noticing the different changes in the weather. We have discussed how snow feels and noticed that it melts as the temperature rises outside, observing the changes over time.

The children also enjoyed sledging and they made a snowman too!

In the Three Little Pigs story the main characters are a family of brothers. This week in nursery, we have been talking about our families. We have been exploring painting ourselves and our families, talking about our features and comparing similarities and differences. Through this the children have been developing their representational skills and control of mark making tools.
