Collecting Children Early

We have been reviewing our safeguarding procedures in school, as you are aware the finish times for the morning session is 11.40am and 3.40pm for the afternoon session. We do ask that parents try to keep to these times, as at the end of the session the children are enjoying story time together. We do appreciate this is not always possible due to unforeseen circumstances. Therefore, if you wish to collect your child early, You will be asked to wait in the entrance foyer and your child will be brought to you at the door. This will ensure a safe handover and also keep the other children safe as well.

Many thanks for your co-operation.

World Book Day is on Thursday 2nd March 2023.

Your child can bring their favourite teddy or soft toy to nursery school on this day. We will be sharing lots of different stories with the children.

Please can the children come in normal clothing and not fancy dress on this day. Thanks

The children have been enjoying making pancakes this week at nursery. They really enjoyed juicing the lemons to make their own juice and then adding different toppings and the eating them!

Did you make any pancakes at home? Please email in any pictures to your child's key worker.

Please can we remind parents of our 'Stay & Play' sessions next week
AM session times- 10.15am - 11.15am PM session times- 2.10pm -3.10pm

We are asking for a donation of £1.00 per child for the NSPCC

Lizzy's Group - Monday 27th Feb Emma's Group - Tues 28th Feb

Gillian's Group - Weds 1st Mar Tabassum's Group - Thurs 2nd Mar
