Coronavirus Information for Parents

Dear Parents,

We are following the most up to date government guidelines and if your child is displaying any of the three main Coronavirus (COVID-19) symptoms which are:

- a high temperature
- a new, continuous cough
- a loss or change to sense of smell or taste

What to do if your child has any of the above symptoms:

Your child cannot attend the nursery school until they have had a PCR test taken.

Please visit <https://www.gov.uk/get-coronavirus-test>

You can order a PCR test kit to be sent to your home or book an appointment at a walk-in or drive-through test site. The walk-in & drive in test results tend to come back within 24-48hours

We will need to see proof of a negative test result before your child can return to the nursery

Thank you for your continued support in helping to keep everyone safe.

Fruit Sharing

We like to promote healthy eating and encourage the children to eat different kinds of fruit at snack time. Please help us by bringing in a piece of fruit every Monday for your child to share.

Due to a child having an allergy, please do not send strawberries.

Named Clothing

Please ensure all your child's coats and spare clothing is named. This will then ensure nothing is lost.

School Fund Reminder

We collect £2.50 per week to help support the school fund, this money helps us to buy the extra resources so that we can give the children lots of different experience. Please support us. You can either pay weekly or for the full term should you wish to. If you wish to pay via bank transfer, please use the following bank details and use your child's name as the reference. It is £17.50 for this term.

HSBC UK

Account Name: Basnett Street Nursery School Fund
