Monday 25th April 2022

We have had a very exciting week in Nursery this week as we have had a visitor! Andrew the potter has been in to see us to explore the wondrous world of clay!

We explored lots of different techniques and tools and enjoyed making patterns and even modelling our own animals!

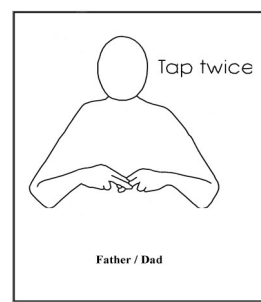

Congratulations to Hayley and Ste, who are getting married on Saturday. The children made a big wedding card and wished her all the very best in today's group time. We looked forward to hearing all about the wedding when she returns from her honeymoon.

SENCO

We welcome Sara Toomey to Basnett Street Nursery School, she is our new SENCO. She will be in school every Thursday. If you have any SEN concerns about your child, please contact Lindsay on 01282-457235 to discuss this further.

Thanks
