This Week's Learning

The children have been showing care and concern this week for animals.

Vicky very kindly brought some lambs from her farm in. **The children were very excited to feed them milk from a bottle.**

In maths this week we have been looking at big, medium and small. We retold the story of Goldilocks and the Three Bears and made porridge.

We wonder what you can find at home that is big, medium and small this weekend?

Mobile Phones

Strictly no mobile phones or tablets are allowed to be used in our nursery. Please end all calls and put your phone away before entering our building. Children are also not permitted to have devices in their bags. Please leave them at home. Help us keep our nursery safe!

Group Photos

Tempest Photography will be in nursery this coming Monday (29th April 2024) to take **group photos with your child's key worker.**

Gates

Can all parents please try and remember to **keep both gates shut on the path** when entering and exiting the building. This helps contribute towards child safety, especially in regards to traffic.

Primary School Places

Hopefully you have all been offered a primary school place for your child now (if applicable). If you have not done so already, **please let the office know** which school your child is attending.

Reminder - May Day Bank Holiday

Nursery will be closed on Monday 6th May 2024 for the May Day Bank Holiday.

We will re-open at the usual time on Tuesday 7th May 2024.

Have a great weekend everyone!
