#### Farm Visit

We had to postpone the recent farm visit due to the snow and ice. We are pleased to say, this has been re-arranged for **Tuesday 30th January 2024.**

If your child suffers allergies, please ensure they have an anti-histamine before nursery.

#### Attendance Matters

Our nursery target for school attendance is 90%. It is really important that routine health appointments **are made outside of nursery hours** if possible. Please ensure you complete a **holiday form** for holidays taken in term time.

Did you know...

A 2-week holiday in term time automatically drops attendance to 95%.

Missing 10-minutes of school a day is the same as missing 2 weeks over the year.

90% attendance is the equivalent to a full month off school in a year.

#### This Week's Learning

This week we have been exploring **small world farm** in preparation for our visit next week.

We have also been exploring our creative side by **painting to music** the full Philharmonic orchestra version of the Gingerbread Man to be precise!

As part of outdoor learning, we have been taking care of our environment by **making bird feeders** and keeping nursery clean by **litter picking**.

#### New Children

We have welcomed new children into nursery this January. We are **very proud** of them for settling in so well. We hope they enjoy their pre-school journey with us.

#### February Half Term

Children will finish for February half term after their session on Thursday 8th February 2024. **Nursery will be closed** from Friday 9th February 2024 and will re-open on Monday 19th February 2024 at the usual time.

Have a great weekend everyone!
