Friday 29th April 2022

## REMINDER

Nursery School will be closed on Monday 2nd May for the Bank Holiday.

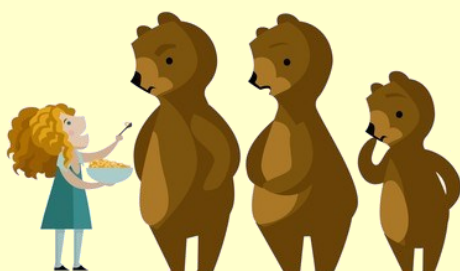

### Core Book for this Half-Term

Our new story this half term is *Goldilocks and the Three Bears*.

Goldilocks left a huge mess in our entrance, at the beginning of the week and now wants us to have lots of fun with the story!

We will be retelling the story, exploring porridge in all different forms, talking about bears and learning more about them in the wild, singing number songs about bears and much more! Keep your eye on our Facebook page for photos of what we are getting up to!

### Eid Mubarak

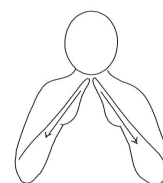

We would like to wish all our families 'Eid Mubarak' this weekend. We hope you all have a lovely time celebrating.

We will be exploring Eid next week, reflecting and talking about the children's experiences. We will also have some parent visitors coming in to talk to the children and showing them photographs of their experience of Eid too! Then on Friday 6th May, we will be having an Eid Party, during the nursery sessions. The children will be tasting some new food and listening to some music.

All food will be provided.

### Sign of The Week
