HELP - JUNK MODELLING ITEMS NEEDED

The children love to be creative in nursery school and we are very low on items for them to use in the junk modelling area. Please can we ask the you send in some of your recycling items. We need small, medium, large cardboard boxes and lots of plastic containers. Cereal, makeup boxes, toilet & kitchen roll tubes are ideal.

Thank you.

Keyworker Updates

Hayley, the keyworker for children in AM & PM 1 is expecting a baby and is going on maternity leave early in November. We have appointed a lady called Suzanne Marney, who will be covering this position and she will be joining us in October. This will enable Hayley and Suzanne time together to ensure a smooth transition for all the children in this keyworker group.

We would also like you to welcome Tabasum Nawaz, who is taking over the 30 hours keyworker group children. Tabasum is currently working with Ayrin Rahman the current keyworker to meet all the children & parents.

If you have any concerns about the changes , please do not hesitate to contact us.
