Individual School Photographs

On Wednesday 9th November, we have Tempest Photography in school to take the children's individual photographs. The photographs will be taken during the morning and afternoon sessions

The photograph orders will be ready in time for the Christmas and they can make a lovely gift for family & friends.

Bonfire Night

If you are going to a bonfire & firework display this weekend, please remember to follow the firework code and stay safe!

HALLOWEEN & OUTDOOR ACTIVITES

We have been enjoying the glorious Autumnal changes this week. We have noticed all the leaves have fallen on the floor over the holidays and the children have been investigating and using identification charts to see which leaves belong to which trees.

In the workshop area children have been exploring the hammers. We have looked at identifying the different parts as well as discussing how to use a hammer safely. The children were using their fine motor skills to hold the nails and hammer them into the pumpkins.

We found some pumpkins of all different shapes and sizes. We discussed how the big pumpkins were heavy and used our problem solving skills and team work to try and get them up the hill.
