### Change to the Morning Start and Group Times

We have been made aware that parents dropping of older siblings at primary schools, other than our main feeder - Heasandford are struggling due to traffic to get their children to nursery before the doors close at 9.00am. Therefore, from Monday 9th May, we will start group time at 9.05am, this will then provide parents with an extra 5 mins to enable them to get their child here before the door closes.

If for any unforeseen reason and as a one off, you know that you will not make 9.05am, please can we ask that you bring your child at 9.20am or kindly sit in the nursery entrance or outside.

Thank you in advance for your support.

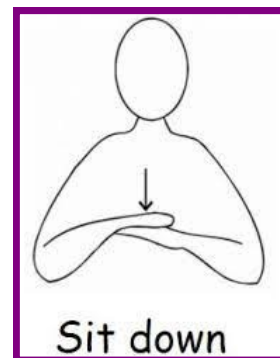

### Lost Property & Named Clothing

A lot of the children's coats and clothing are regularly getting mixed up as they are very similar. Please can we ask that you put your child's name in their coats and other clothing. We also have a lost property box, where any unidentified clothing will be placed.

Thank you.

### A Polite Reminder

**Reminder!**

We work hard to ensure we build excellent and mutually supportive relationships with all parents, enabling our children and families to flourish and feel safe. We will always endeavour to listen to all our parents and support them with any concerns or issues they may have. We always have an open door policy, so you can always come and speak to Lindsay (Headteacher) or any member of staff. They will always make time to see you where possible on the same day, or make an appointment as soon as possible.

In return, we just ask that parents /carers are always respectful towards all our staff during any interaction. Confrontation or aggression is not acceptable and although we understand issues can cause stress to parents, we will always be here for you. Our Staff 'Code of Conduct' ensures that everyone is given the same level of respect at all times.

Relationships are a partnership and at Basnett Street Nursery School, this is given 100% priority. We are here to support you.

Thank You.
