Reminder for Parents

Please can we remind you that the nursery school will be closed on Friday 21st October - Friday 28th October for the half term holiday.

We re-open on Monday 31st October 2022

LCC Primary School Admission 2023

Are you struggling to complete the LCC Primary School Admission form online?

We have a representative from the Pupil Access Team coming into school to help parents complete this form on Thursday 10th November 22

10.45am - 11.30am or 2.45pm - 3.30pm

Please can you let the office know if you wish to book an appointment asap.

Thanks

Attendance & Punctuality

Please can we remind parents of the importance of regularly attending nursery, this will help your child to get into a good routine, which helps them to settle much quicker. It is also good practice ready for when they start primary school in September 23.

If your child attends

100-95% = Best Chance of Success

94.9-85% = Less Chance of Success

Less than 85% = Can seriously impact on education and life chance

Children who have 100% attendance each term will receive a certificate and we will celebrate this on our Facebook page, if permission has already been given. We are also going to be putting the weekly attendance % figure on the newsletter and then you can then see how well your child's keyworker group is doing. **Your child's nursery place may be at risk if they do not attend regularly and have a genuine reason for the absence .**

Well Done To

Please can we ask that the yellow road safety signs are not moved and parking outside the nursery school on the zig zags is not permitted. The signs are there to keep everyone safe and anyone who parks in this prohibited area will be reported to the local traffic warden. The staff car park area is also out of bounds and should not be used as a short cut.

We have a safe route in and out of the school and can we remind everyone to always close the top & bottom gates when leaving.

**Thank you for assistance in keeping everyone safe
at
Basnett Street Nursery School.**

Healthy School

▪ We are a healthy school and always promote healthy eating. Therefore we only allow fruit and healthy snacks in the nursery. We appreciate that parents may wish to bring in a treat when it is a special occasion such as your child's birthday. Can we ask that you if wish to bring in a treat, a platter of nice fruit to share with their keyworker group would be appreciated. Your child's keyworker will celebrate the children's birthdays in group time and they will receive a small gift as well.
