Farm Visit

We had a visit from 'All Days Farm' on Wednesday 6th July. The children were all very excited to see which animals were coming to see us. There were lots of different large and small animals that came: from sheep, goats, rabbits and even a chinchilla! The children stroked, fed and brushed the animals and talked all about what they ate and their habitats. We had a wonderful time!

Library Books

Please can you return your child's Library book by Monday 11th July. This will then ensure we get all our books back before the summer holiday.

Any lost books will incur a charge of £5.00.
