

Literacy

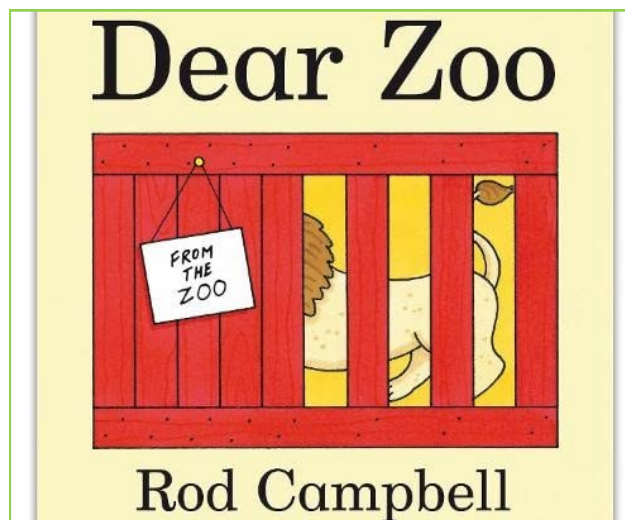

We will begin to join in with talk for writing actions

We will begin to remember repeated words in the story

We will begin to follow a story using a story map

Autumn Term 2

The story we are reading is:

Mathematics

We will be singing 5 little frogs and 5 little Christmas cakes and other winter songs

We will be learning to count as we play

We will be exploring shape and space through construction, making crates and cages for the animals

Personal, social and Emotional Development

We will begin to explore emotions through the story The Colour Monster

Use this link to watch at home

Understanding the World

We will be exploring the season of Winter, talking about the changes we see

We will be exploring natural resources such as conkers and leaves

We will be looking at how to look after our natural world and the animals within it

Physical Development

We will be making marks using a variety of tools such as pens, pencils and paintbrushes

We are developing our knowledge of how to use tools, learning the parts of the tool - this half term we are using hammers

Expressive Arts and Design

We will be exploring how to connect resources together using glue and sellotape to make crates for the animals

We will be exploring colour mixing, working through the process of combining powder and water to make paint

Communication and Language

We will be learning to do good sitting, good listening and good looking in group times.

We will be exploring sounds made by things in the environment and learning the names of them

We will be exploring rhyme and rhythm through song and story
