

Sharing Good Practice Feedback Form

Date: 22/2/23

Name: Shanai Baron

School: Ingol Community Primary School

What was the purpose of your visit?

To share good practice, information and resources for supporting children with complex SEND.

Did your visit meet your needs?

Yes. A lot of information was shared on how what has worked well within the setting which will be useful.

Summary of your findings?

Staff are all on the same page and work hard to meet the needs of children with SEND. There is a tight team with a clear vision which they are all working towards.

Any feedback for Basnett Street?

I think you are doing a great job and thank you for allowing me to visit!
