Nursery Activities

We have been learning how to look after our chickens, how to take care of them and keep them clean and healthy. The children enjoy seeing if the chickens have laid any eggs and love to collect them daily.

Owl babies has been our story in the first half term and we have explored owls alongside other birds in our outdoor environment, making nests and bird watching in our bird hide. The children have also explored feathers and the marks and patterns they make in the paint. Our next book is Dear Zoo! Keep an eye out for our adventures whilst exploring this new story.
