Dear Parents,

We are inviting you to a 'Stay and Play' session at nursery. We are currently focusing on improving the children's maths and would like you to come and experience some fun maths activities with your child. We will be exploring maths in lots of different ways.

We are going to be celebrating 'Number Day' which is part of the NSPCC Charity. Please can we ask that you help us support this and give a small donation of £1 or more for this amazing charity by attending our stay and play sessions and celebrating Number Day.

The money we raise will help the NSPCC run its Speak out Stay Safe Programme and Child Line.

If you would like to find out more information on 'Number Day' please follow the website below:

All children will attend their usual sessions across the week. The 'Stay and Play' sessions will start at **10:15 am** until **11:15 am** and in the afternoon **2:10pm** until **3:10pm**.

If you are unable to come your child can attend their sessions as normal.
