

Home Learning for Week beginning: Monday 8th February 2021

This week we are thinking about sharing, rolling a dice and playing a game as well as Valentine's Day.

Activities for you to carry out

1. We have now finished learning our Gingerbread Man story. Make your own Gingerbread men biscuits. Follow the recipe and enjoy.
2. Go on an environmental walk outside. What can you hear? Can you hear cars, birds or is it quiet? Close your eyes and lie down on the ground (in a safe place), enjoy listening, how does it make you feel?
3. On your walk, notice the signs of new life. Do you notice the daffodils trying to push through the soil or the buds on the trees? Do an observational drawing of these budding flowers or leaves.
4. Have a game of snakes and ladders! Enjoy sitting down with your family. Who climbs the ladders and who goes down the snake?
5. In nursery we are talking about fruits, the smells, their textures as well as learning new words. Talk with your family about your favourite foods. Why do you like them?
6. Sunday 14th February is Valentines Day. Can you make Mummy or daddy a Valentines day card?

Group Times

Don't forget to look on Facebook and YouTube to listen to the story of "The Rainbow Fish" as well as watching our counting game.

Please can you email any pictures or activities that your child has done to their keyworker who will print it off for your child's learning journal.

Parental comments would be very helpful and if you need any help or advice, please email your child's keyworker.
